PHOENIX TECHNICAL SCHOOL

"Enter to learn and leave to serve."

DEDICATION

To Mr. Kayetan and Tech's first four year graduates we dedicate this book.

Our thanks go to Mr. Kayetan for his sincere, tireless effort in establishing and directing this school of technical learning which meets the standards of this modern machine and industrial age.

SENIORS WHO HAVE ATTENDED TECH FOUR YEARS

Row 1, left to right: Armer, Brodie, Berg, Fanfarillo, Flanders, Bonine, Friend, Gorman, Bryce, Gibbs. Row 2: Howard, Briggs, Brown, Burrell, Estrella, Clemens, Carson, Gleeson, Fields, Hokama. Row 3: Fellars, Bradford, Calderon, Brown, Bloomquist, Davis, Fisher, Gilbert, Colbert.

Row 1, left to right: Shepard, Simonds, Lazok, Thude, Kerns, Prince, Winsor, Mays, Sierras, King, Yglesias. Row 2: Oleson, Myers, Lopez, Olea, Leavengood, Wood, Vogt, Olson, Masoner, Slaughter. Row 3: Nye, Nabors, Murrietta, Nye, Wacker, Moore, McCollum, MacCallum.

FORWARD

Atomic Age which has brought many new problems to be solved. It is through the foresight and planning of our school system that the younger generation is going to be trained, so they will be able to meet with the requirements wrought upon them by the discovery of the power locked in Atomic energy.

With the further use and development of Atomic energy we can expand both in our industrial out put and maintain a higher standard of living beyond man's greatest dreams and wishes with the aid of our scientists of today and tomorrow.

It has become possible now for one man to control enough power to destroy the world. Our schools should try to train our children to realize that one man could rule them, and make them realize they must take an active part in the government, accept the responsibilities, and take an interest in all world events and scientific discoveries in order to have a government by the people.

IN MEMORIUM

"Heaven gives its favorites early death"

Lord Bryon

ROBERT YUENGST

Bob Yuengst was well known through the classroom association, through school participation, and through his hobby of midget racing cars and motor scooters.

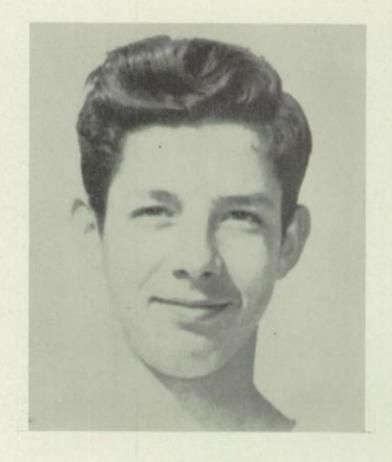

Bob was a good businessman as well as an able student, being a partner in the Precision Automotive Garage on South Central Avenue.

His pleasing manner endeared him to everyone.

Gene's philosophy seemed to be "If you can't say something nice about a person, don't say anything."

He was not only a conscientious student but a dependable worker. He was employed at the Indian School Drive-In Theatre, and was largely self-supporting. His main interest was in livestock.

To know Gene was to like him.

GENE HAUETER

GILBERT HATLEY

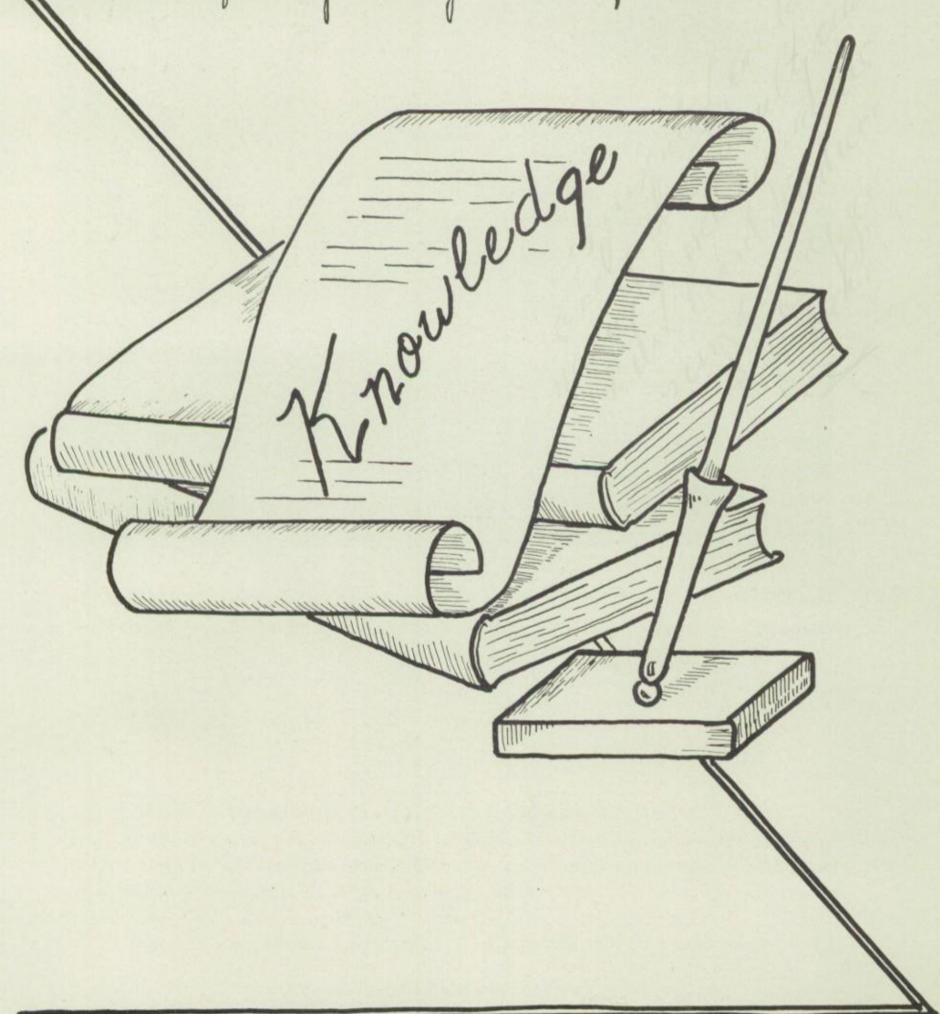

Gilbert attended Phoenix Union before he transferred to Phoenix Technical School.

Although he was not enrolled in Tech very long, those in Radio Shop will remember his pleasing personality.

We regret that we were unable to obtain a picture of Gilbert for the annual.

COMUNISTRATION

Leaders of today molding leaders of tomarrow.

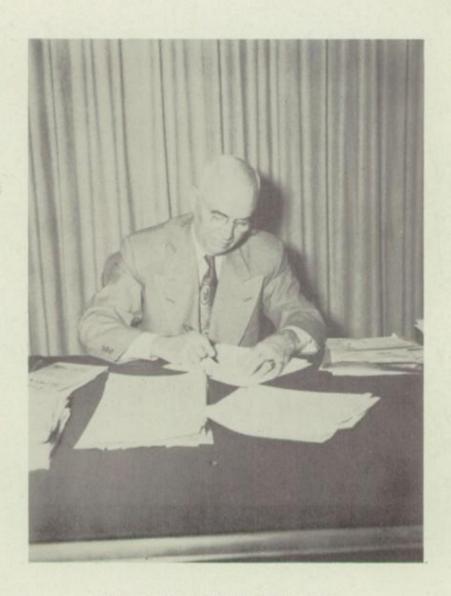

BOARD OF EDUCATION

Members are; Standing: John Herrscher, William J. McDonald; Seated: Mrs. F. A. Bons, Clerk; Dr. Norman A. Ross, Dr. Trevor G. Browne, President; Dr. E. W. Montgomery, Superintendent.

At the head of all the schools of the Phoenix Union High Schools and Phoenix College System stand the members of the Board of Education — recognized by the citizens of the community as worthy to guide a great school system like ours to even greater achievement. Through their combined efforts, advancement for all schools in the system is made possible — Phoenix Technical School, Phoenix Union High School, West Phoenix High School, North Phoenix High School, Carver High School and Phoenix College.

SUPERINTENDENT OF PHOENIX UNION HIGH SCHOOLS AND PRESIDENT OF PHOENIX COLLEGE

DR. E. W. MONTGOMERY

Dr. E. W. Montgomery, Superintendent of the Phoenix Union High Schools and President of Phoenix College, is an able and competent leader. Through his farsighted planning and wise leadership, the schools in the system have attained their enviable positions among the leading schools in the United States.

Tech closed a successful season on Thanksgiving morning with a decisive 25-2 win over West Hi. This game probably will develop into one of the outstanding rivalries of the state.

The Hornets had a won and lost record of 5-4. After a slow start in the early part of the season they began to roll in the Carver game and played excellent football for the remainder of the season.

The Junior Varsity played five games this season winning four and losing one. Their loss was to North High in the season opener. The Squad was mostly sophomores who should give added strength to the Varsity next year.

The team was lead by George Sandoval, quarterback, whose signal calling and passing played a great part in the team's success. Henry Ohlinger and Willie Joe McGee, ends, were outstanding on offense, and on defense it was Tom Viscogliosi, guard; Oscar Grant, half-back, and George Quesada, center, who played outstanding ball.

The scoring was accomplished almost entirely by the passing of Dick Wilson to the various receivers including Frank Tease, Towns and Lindsey for touchdowns.

The outstanding feature of the frosh team was the rugged play of the defensive line, especially in the last two games. The blocking of Staggers and Brandon was also consistently good.

BOYS' ALLIANCE

CABINET MEMBERS AND OFFICERS

Left to right: Towles, Bowen, Montgomery, Lifsey, Ellis, vice-president; Fisher, president; Alexander, secretary-treasurer; Baxter, Casto, Mr. Zeitlin, sponsor.

The Boys' Alliance is a club made up of all the boys enrolled in school. Their chief function is to help newly registered students, to provide greater service, and to stimulate more activities in the school.

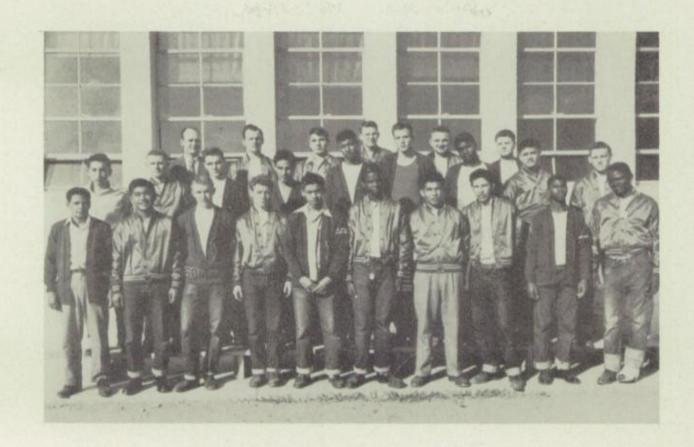

This is the first year Phoenix Technical School has had a boys' organization of this type.

The Boys' Alliance teamed up with the Girls' League to sponsor a dance November 4th. In addition, they co-sponsored the Leadership Workshop and the play BOLTS and NUTS. On February 17th the B.A. put on an assembly program which provided much amusement for the boys as well as that for the audience.

THE LEADERSHIP WORKSHOP BANQUET

LETTERMEN'S CLUB

Left to right, Row 1: Moreno Hokama, Slaughter, president; Turley, Robles, Young, Estrella, vice-president; Ontiveros, Smith, Colbert. Row 2: Yabo, Thompson, Mead, Sanchez, Martin, Burns, Young, Cordova, secretary-treasurer; Long. Row 3: Coach Davis, sponsor; Davidson, Alexander, Ellis, Fisher, Passmore.

The Lettermen's Club is composed of a group of boys who have earned their letters by participating in such sports as football, basketball, baseball, and track.

All through the year the members took turns selling refreshments at the games to raise funds for the initiation of new members and for their annual picnic at the end of the school year.

The Lettermen's Club is one of the most active clubs in the school with its members going all out to make their annual picnic better than ever.

The club sponsor is Coach Wm. P. Davis who is sometimes assisted by Coaches LeSueur Goddard, Berger and McCullar.

R. O. T. C.

Left to right, Row 1: Bullion, commander; Simonds, executive officer; Hessen, secretary; Clarke, sergeant-at-arms. Row 2: Anderson, Churchill, Dean, Fellars, Urich. Row 3: Mays, Bonine, Bloomquist, Szoradi, Osborn, Belcher. Row 4: Caldwell, Maki, Eatherton, Atwater, Braden. Row 5: Shepard, Murrietta, Gibbs, sergeant Fink, sponsor.

The R.O.T.C. Club, which is in its third year at Tech, consists of officers, non-coms, and seniors. The Military Ball, which the club sponsors, is one of the most colorful and outstanding affairs of the year. In addition to regular meetings, the Battalion Picnic held at the end of the year for all members of R.O.T.C. is sponsored by the club.

ART CLUB

The main purpose of the Art Club is to further the appreciation of Commercial Art among its members. This aim, directed through the efforts of an executive committee, prompted the series of lectures presented by leading business people in advertising and related fields.

The regional showing of the National Scholastic Art Awards co-sponsored by the Valley National Bank and Phoenix College provided an opportunity for the Art Club to win 14 awards. We are very proud of these honors.

Lazok, president; Atwater, vice-president; Warner, secretary; Nabors, treasurer.

Left to right, Row 1: Ellis, Fisher, Nye, Moore, Berra, Alexander. Row 2: Marrocola, Leavengood, Bryce, Rost, Carson. Row 3: Mr. Berger, Wood, president; Kronenbitter, secretary; Lyons, vice-president.

The Hi-Y is composed of a group of progressive upper classmen joined together to provide good clean recreation and to further Christian ideals and morals.

Mr. Berger sponsored this organization which was formed this year.

CAMERA CLUB

A group of students, under the direction of Mr. Lemley and Mr. Thomas, formed the Camera Club during the year. Their purpose is to create better photography among the shutter bugs here at Tech. With so many candid camera fiends at large, the unwary subject should beware.

Left to right, Row 1: Bigelow, Bentley, secretary; Richey, treasurer; Clarke, president. Row 2: Liljedahl, Dooley, Rosio, Burrell, vice-president; Gamel. Row 3: Mr. Lemley, Mr. Thomas, sponsors.

Left to right, Row 1: Hansen, Daggett, Mangus, Callaway, Smith, Goheen, vice-president; Winsor, secretary; Wilson, Krois, president; Rolston, McCall, Perryman. Row 2: Lockard, Walters, Mesa, Hagen, Overby, Sotelo, Rolston, Corn, Garcia, Quihuis, Lucas, Higgins. Row 3: McCormack, Armstrong, Mangus, Reyna, Obregon, Edwards, Pritchard, Brown, Steele, treasurer; Hunter. Row 4: Misses Selby, McCauley, Mrs. Boatman.

The G.A.A. started the year off with a bang with a party at the school farm. This was followed by a Volleyball Sports Day against Mesa and West High. All girls who have earned 50 points are initiated into the G.A.A. The new members are waiting for next year when they'll be on the other end of the line.

The G.A.A. promotes good sportsmanship among the girls. Miss McCauley is the sponsor of this group.

REPRESENTATIVES TO BOYS AND GIRLS STATE

Tom Alexander, John Brown, Herb Owens, Ballard Bullion, Ed Bryce

AUDREY PRINCE

These people were selected by the faculty to represent the school at Boys' State, which was held at Flagstaff and Girls' State at Tucson.

The purpose was to train the leaders of tomorrow in the ways of government. Not all the time was spent in studying government as tours of scenic interest were conducted, and a very active athletic program was carried out during the weeks' stay on the college campus.

TECHNICIAN STAFF

Betty Goheen, Assistant Editor; John Brown, Editor; Betty Wallin, Assistant Art Editor; Chris Flanders, Advertising Manager; Audrey Prince, Art Editor; Ted Clarke, Photographer.

These students were on the Annual Staff and are the ones who have designed and laid out this year's Technician. The Technician is a picture record of your school life during the year 1949-50, and its value to you will increase with the coming years.

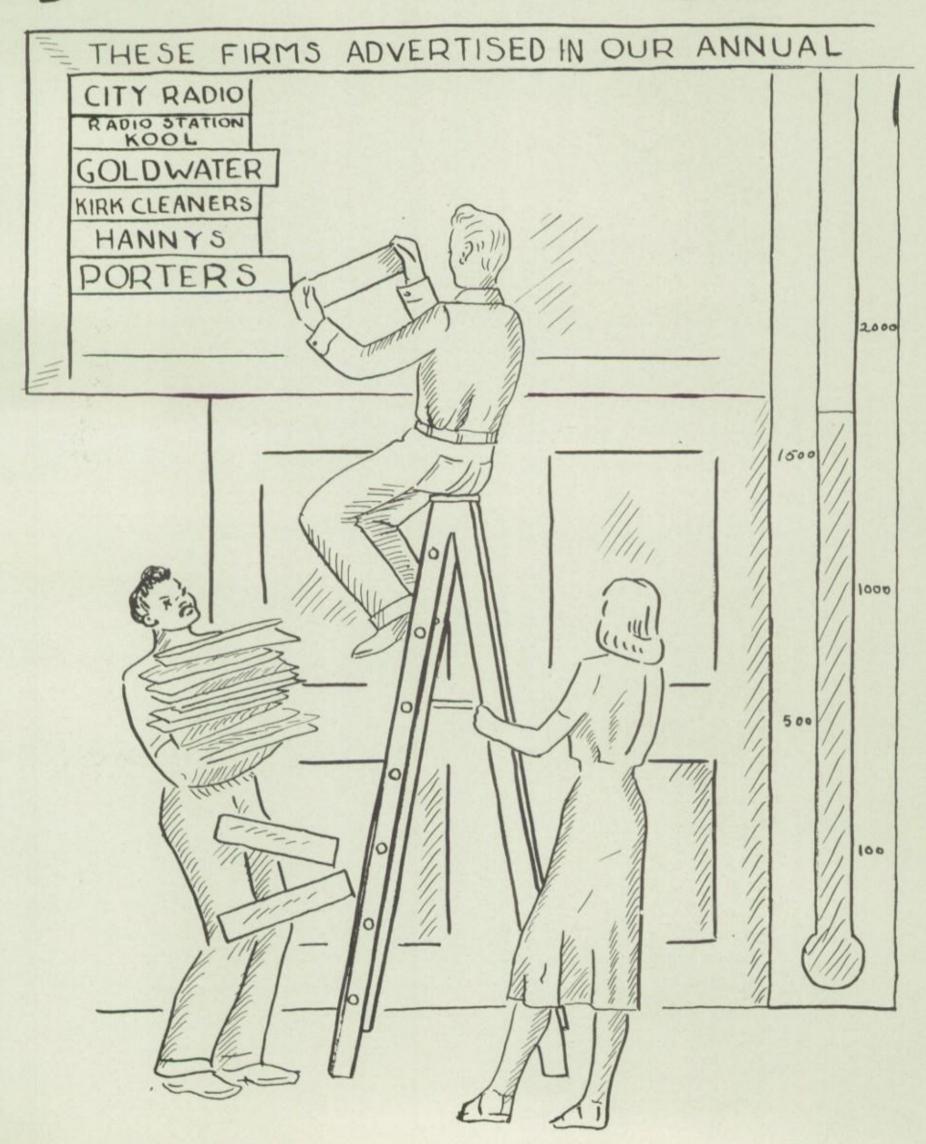

Row 1: Nancy Krois, Elaine Bowen, Marylou Fries, Pat Hagen, Edith Cline, Carol Warner.

Row 2: John Bowen, Jim Alandar, Richard Ellis, Albert Lazok, Glen Towles,

Don Kronenbitter, Tom Alexander.

These people were not present when the picture was taken but they took an active part in making the annual: William Anderson, Nell Rolston, Bobby Callaway, Elaine Kontos.

CLASS DISMISSED ...

. . . for everyone but me!

Good ol' summer vacation! You forget about homework, get a job and earn some extra money, or just concentrate on having fun! At least you'll have a change.

But I never get a vacation. I'm on the job day and night — winter and summer — always REDDY to serve you. Guess I should envy you, but I don't! Nope, I'm happy with my job of making life happier, healthier and easier for folks.

And that's what makes the world go 'round — lots of folks sticking to their chosen jobs. I'm glad that my life is dedicated to giving better and better service at the lowest possible cost.

AIM

The general aim of Phoenix Technical School is to prepare students for an immediate place in industry, at the same time developing good citizens with an awareness of their responsibility to the community in which they live. The faculty at PTS follows a code that is an indication of the earnestness with which they strive to meet that aim. The code reads in part: A student is the most important person ever to enter this school. He is not dependent on us, we are dependent on him. He is not an interruption of our work, he is the purpose of it. He is not an outsider to our organization, he is a part of it. A student is a person who brings us his wants. It is our job to handle those wants in a way that is profitable to him.
